

## Voices of our Science students

<u>Level</u>	<u>What do you like about Lewin?</u>	<u>What do you like about your teacher?</u>	<u>What do you not like about Lewin?</u>
P6	Lewin is so nice	Friendly, considerate	Friends are a bit rude
P6	There is free aircon	The explanations are clear	The aircon is too cold
P6	There is aircon	Good drawing	The aircon is too cold
P6	There is science experiments	He is funny, cracks jokes	More work to do
P6	That it has improved my results	He is quite patient	Nothing
P6	I like my teachers and friends	Very kind and helpful	Nothing
P6	Everything is awesome	Everything about him is good	Nothing
P6	There are many experiments	He explains clearly to us	Questions are a little difficult
P6	I like the keywords paper they give us near exams	My teacher is very kind and explains certain concepts	Nothing
P6	Lewin provides a wide variety of topics for us.	My teacher explains clearly and makes sure we understand concepts	Sometimes the questions are too difficult
P6	There are experiments.	He gives us real life experiences to justify the science facts	Nothing
P6	It is nice and teachers are understanding	He sometimes makes jokes and make the lessons interesting	It is hard to get there when it rains
P5	I like experiments. Lewin helps us understand better	She shows us videos and try to make us understand	Nothing
P5	Teachers are kind and they help me to improve a lot	I enjoy her teaching, she is also nice, funny and kind	Some questions are too difficult
P5	Lewin teaches us a lot of things that the school doesn't	She is good at elaborating	Nothing
P5	It is fun, interesting, nice and have experiments	She is beautiful, polite and patient	Nothing
P5	Lewin is a very good. I learnt a lot. I like their teaching	They have a lot of patience with the students.	Nothing
P5	The lessons are good and my grades are getting better	She is kind and gentle	Nothing
P5	It is big and easy to remember the class I am in	He is funny	Nothing
P5	Science experiments	He is very funny	Nothing
P5	It is fun and interesting	She is patient, polite and beautiful	Nothing
P5	They let us do experiments	He is funny and very knowledgable	Nothing
P5	The interactive experiments that I am faced with	I like the humour and the logic in his lessons	Nothing
P5	The receptionists are very kind and patient.	I like that they are funny	The timings are changing every year
P5	The knowledge we get to absorb	Kind, speaks clearly	Nothing
P5	The experiments	They are kind and caring	The worksheets
P5	We get to walk barefooted in class	She is kind	Nothing
P4	There are experiments	Very kind	Nothing
P4	There are experiments for science	Sense of humour	There are some annoying classmates
P4	They will help us improve our subjects	I can improve on my subject with her help	The teacher is strict
P4	Doing experiments and learning new topics	She is kind and improves my science	Nothing
P4	The teachers are kind	The teacher is good	Nothing
P4	I love the experiment in science	I like her because she gives us stickers	Exam coaching
P3	They teach new words and phrases	Teaches us very well	Nothing
P3	It is interesting and fun to learn	She is really kind	Nothing
P3	Have aircon	She is very funny	Nothing
P3	It usually let us have experiments	She is kind and smart	Nothing
P3	It is very impressive	Even though they are strict, they want us to be good	Nothing
P3	It is clean and the teachers teach us well	She is very kind and fun	I need to travel a long distance to get here
P3	When we have experiments	She is very nice and explains to us when we don't know	Rude classmates
P2	It is fun	She always does funny things	Nothing
P2	It is fun	She is nice	Nothing
